Dear LCC Student,

Congratulations! You have been asked to join your instructor, fellow students, and other LCC faculty for a discussion about teaching and learning. This occasion of sharing and learning will be on **Tuesday, March 20, 2007** from **2 PM to approximately 3:30 PM** in TLC 326.

During our time together, faculty will ask questions they have prepared in advance. You will have the option to “pass” if you prefer not to answer a question. The following are examples of the types of questions often asked:

- What teaching method(s) do you prefer? (i.e. lectures, group work, worksheets, etc.)
- Do you feel it is a disruption to the class when students arrive late and how would you like the instructor to address chronic tardiness?

I look forward to meeting you! In appreciation of your time and input, we will serve a dessert during this session and you will receive a \$15.00 gift certificate from Best Buy. Please feel free to call me at 483-1427 if you have any questions or concerns regarding this session.

Respectfully,
Tracy A. Price
Faculty Director
